

Handelsges.m.b.H.

TECHNICAL SPECIFICATIONS

MF. Bl. White Colored paper for Shopping bags

Ref.: 1988 - CSW

Origin: Netherlands

PROPERTIES	UNITS	TYPICAL VALUE
Basisweight	g/m ²	100
Caliper	µm	120
Moisture	%	6,5
Cobb topside	g/m ²	24
Tensile strength MD	kg/15mm	7
Tensile strength CD	kg/15mm	6,5
Tear machine direction	mN	630
Roughness Bendtsen wireside	ml/min	150
Opacity	%	95
CIE Whiteness	%	139

PRODUCT AND ENVIRONMENTAL FACTS

Raw materials	<ul style="list-style-type: none"> - Primary fibres from sustainable forestry - 100% chemical fibres - ECF bleached - Recoverable fibres and fillers
Production process	<ul style="list-style-type: none"> - Production process in accordance with Dutch environmental laws and regulations - Quality assurance according to ISO 9001 - Environmental assurance according to ISO 14001
Health and safety	<ul style="list-style-type: none"> - Contact with dry and fatty foods according to BfR Empfehlung 36 - Heavy metal migration and content according to <ul style="list-style-type: none"> * European safety of toys EN 71/3:1994 D (BS EN 71/3 1995) * Children Toys Protection Act (CTPA) - ASTM F-963-86 * Confederation of North Eastern Governors (CONEG)
